GOOD COMPANY PLAYERS 2nd SPACE THEATRE

Buy Out the 2nd Space for Fun & Profit in 2009

Good Company Players 2nd Space Theatre is known for consistent, high quality productions in an intimate arena theatre setting. Over the years, many groups have arranged to buy a performance in The 2nd Space as a means to raise funds or to entertain in a very special way.

Here's how it works:

Buy-Outs are available on Thursday, Friday or Saturday evenings and on Sunday afternoons.

The cost is \$1650.00, January through November. Wednesday, Thursday and Sunday evenings in December the cost is \$1725. Fridays, Saturdays and Sunday Matinees in December are \$1875.00. The cost includes a cleaning fee, the presence of our House Manager and printing of custom tickets for your event.

The seating capacity of the 2nd Space Theatre is 150 seats. Most of our fund-raising groups sell these for \$20.00 - \$25.00 each, which allows them to realize a nice profit.

Other Ways to Make Your Event Special

Many groups provide refreshments before the show and/or at intermission. We can offer you serving space and equipment, plus the benefit of our experience with other groups who have had success with this kind of catering. A raffle or silent auction during your event can also increase your profits; again, we're familiar with how to make this work best for you. And there's no extra cost for this, or for the advice!

A 20% deposit at the time you reserve will secure your date; the balance of payment is due three weeks prior to the reserved date.

Our experienced staff is ready to help make your event run smoothly. If your group is interested in fund-raising, call us and we'll make every effort to make your event a success.
